Safer due to the integrated track, improved load distribution and noise reduction.

# IT'S MORE THAN A FLOOR

Ranger Design's unique flooring system with integrated aluminum mounting tracks provides a flush surface, making it easy to install a variety of Ranger Design shelving, equipment and accessories.

Ranger Design's custom-fit rigid flooring system is available for most service vans. Designed to provide added safety and a quieter ride. The floors are also impact and puncture resistant giving your van a professional look. Unique benefits of these flooring products include:

- **Economical** – because the flooring has integrated mounting tracks for the price of a regular floor
- **Safer** – due to the integrated track, improved load distribution and noise reduction
- **Improved van resale value** – durable professional looking and protects the vehicle
- **Efficient** – 3 panel floor installed in 45 minutes by one person and easy to maintain
